Recipient of 2010 NSW Export Highly Commended Education and Training Award

Do you need help with accessing online learning resources?

Do you know how to submit your assignments online?

Do you need help with how to use the internet for your academic research?

Do you need help with time management tools, academic writing strategies, referencing and plagiarism?

Online Help and Academic Support are here to develop your online learning skills. We provide technological and academic guidance and support for online students anytime during the week. Please feel free to call us on 1300 256 118 if you are stuck with any particular slide or are facing any technical issue. If you want personalised help over the phone wherein you want our course advisor or trainer to call you please send us an email at academicsupport@aipe.edu.au with a little brief with what help you need and we will make arrangements for you accordingly.

Top 5 Tips for for online students

- set goals
- be self-motivated and self-disciplined
- have a regular study and learning schedule
- be willing and able to commit a minimum of 5 to 10 hours per week.
- participate in forums and most importantly ask questions
